1. Program Abstract

The program abstract is to provide a comprehensive overview of the program developed by the district and other involved agencies to ensure that all homeless children and youth are able to enroll, attend, and succeed in school. The overview should describe the broad goals of the program, the policies and procedures that have been, or will be implemented to support the program, and a description of the additional resources and commitments obtained from other sources.

2. Describe the strategies that will be used to assess the educational and related needs of students experiencing homelessness.

3. Describe the services and programs for which assistance is sought to address the needs found in number two.

4. Describe the policies and procedures that will be implemented to ensure that activities carried out by the district will not isolate or stigmatize homeless children and youth.

5. Describe the involvement parents or guardians will have in the education of homeless children and youths.

6. Describe the evaluation plan to be used for the program.

7. Describe the strategies that will be used to identify students experiencing homelessness.
